TDC dismissed Everlight's patent infringement lawsuit for injunctions

On October 5, 2018, in a patent infringement lawsuit for injunctions, etc. (hereinafter, "the Lawsuit"), filed by Everlight Electronics Co., Ltd. (hereinafter "Everlight") against Citizen Electronics Co.,Ltd. , Nichia Corporation and Daiko Electric Co.,Ltd. (hereinafter "Citizen, et al"), the Tokyo District Court ("TDC") in Japan completely dismissed Everlight's claims.

In the Lawsuit, Everlight claimed that the COB product manufactured by Citizen, et al. and the lighting fixture with COB product mounted thereon infringe Japanese Patent No. 3989794, but TDC rejected Everlight's claims thoroughly.

We would appreciate our valued customers' understanding and cooperation and continued comfortable use of our reliable products.
